

ROADMAP

The power of on-chain trading in
the hands of every trader

////PHASE////

00

TODAY_

Solana's Fastest Perps Exchange

- Setting new standards in perps trading through unmatched **speed**, **simplicity**, and **security**
- Seamless **mobile** experience and near-instant **cross-chain deposits**
- Facilitated billions in **trading volume** for tens of thousands of traders
- **Z-SCORE** rewards, incentivizing and valuing the platform's users
- Pioneering on-chain **CLOB** on Solana
- Driving **DeFi mainstream adoption**, on the only chain that can support it

////PHASE////

01

THE FOUNDATIONS_

Growing The Pie

- The **official launch of \$ZEX** heralds a new era of community ownership
- Trading experience **is further** enhanced, boasting direct DeFi onramps and seamless interactive features
- **Global Programs** spearhead DeFi demystification, broadening Zeta's community

////PHASE////

02

CATALYST_

Empowering Governance, Expanding Horizons

- The launch of **Zeta V3** introduces Zeta-Lend, lending markets, and multi-collateral support
- Smart contract **re-audit** enhances execution speed and security
- Governance advances with the **vote-escrow** model and the **2nd round of the airdrop**, dedicated to \$ZEX stakers
- The **Zeta Vanguard** is established, uniting top projects and leaders within the ecosystem
- Zeta's **taker incentives program** launches, rewarding users with \$ZEX for ongoing trading activity

////PHASE////

03

PREVALENCE_

Ascending The Summit

- Zeta enters its final form, pioneering a first-of-its-kind **Solana DEX rollup**, eclipsing all other exchanges
- Expansion of **market offerings** accelerates
- Roll out of **new index perps** and **pre-listing markets**
